Digital Skills Training – Accessing the Internet

Community Champions Program

2025

Trainer Notes: How to access the internet

- Print this handout for participants:
 - https://beconnected.esafety.gov.au/pluginfile.php/97558/mod_resource/content/2/index.html
- Print a single copy of these slides with the notes section for you to use when presenting
- Read:
 - through the slides, and make sure you are familiar with the content,
 - the handout for participants.
- Load the following video in a browser: <https://vimeo.com/233940469>
- Contact Elliot Elliot@wacoss.org.au before the session if you have any questions
- Remove/hide this slide before presenting and update the time/date of the next session on the final slide.

Acknowledgement of Country

We know we are on Aboriginal land. We respect Aboriginal people from this land.

Aboriginal people have lived on this land for many years.

We respect all Aboriginal people and their Elders.

We can learn a lot from their stories.

This land always was and always will be Aboriginal land.

How to access the Internet

WA Digital Inclusion Project

Session overview

- What is the internet?
- Safety online
- Privacy and security

Introductions

- Introduce yourself to the group
- Share who you go to for help when you need to do something online?

Getting Started with the Internet

What is the internet

Requirements (device,
internet connection)

How to connect to the
internet

What is the internet?

Watch this video:

<https://vimeo.com/233940469>

What can you use the internet for?

What can you use the internet for?

How many of these did you get? What else is on your list?

- Banking
- Centrelink
- Medicare
- Australian Tax Office
- Email
- Video call
- Stay in touch with friends and family who might live far away
- Share pictures

Getting around online

Using a Web Browser

Searching for Information

Websites

Safety online

**Security and Privacy
Settings**

Safe online shopping

**Protecting personal
information**

Be safe online
